## Report to Members

The past 18 months have been scary and a time of enormous challenge for the University Club. I would be lying if I said I hadn't had doubts during our closure if the Club could survive.

**BUT IT HAS!** And not only that. The Club is now in the most stable financial position it has been during the entire time I have served as your president (we aren't counting but it's a considerable period!)

We have cash in the bank. We have been able to make overdue needed building repairs including repairing the 2nd floor Library window, replacing main floor light bulbs with more energy efficient ones), re-certifying the elevator and likely repainting the front façade (we're still awaiting a quote).

And we have a wonderful tenant in our kitchen, Chef Brandon, who is serving us great lunches Wednesday, Thursday and Fridays, and making use of the Club for other events. Brandon's private events bring the public into the building and elevates awareness of the Club.

In short, we look forward to saying Good Bye to 2021 with our Grand Reopening Dinner and look forward to great things to come in 2022!

## Annual Holiday Cheer is Back

Like previous years, we'll have a special lunch on December 24. Chef Brandon will serve us a great meal, the bar will be open for those who wish to take a nip, and a great array of special deserts will be out on the tables.

Like all of our lunches, just \$13.

Things from the bar are extra, of course!

An Irish Coffee, some wine or ??

WISHING YOU  
*Happy Holidays*  
AND A WONDERFUL NEW YEAR

*“Let us remember that the University Club has been here since 1910. The culture of the Club may need to change with the times but the tradition and fellowship needs to carry on for future generations.”*
